Limoni

A sip of Italian summer

Limoni is Canella's interpretation of a modern citrus aperitif, inspired by the aromas and freshness of Syracuse lemons and designed to transform every moment into a convivial and sunny experience.

Made with Italian sparkling wine and real lemon juice, Limoni combines lively citrus notes with a smooth, balanced profile, resulting in a fresh, instant, and pleasantly refreshing cocktail.

Its aromatic personality, intense yet elegant, recalls the relaxed atmosphere of Mediterranean summers, between sunset aperitifs, shared tables and bright days.

Conceived as a contemporary ready-to-serve with a playful yet refined character, Limoni is perfect enjoyed chilled, on its own, on the rocks, or paired with light dishes and convivial moments.
